All changes in membership must be reported to Grand Lodge following the last meeting of the month in which the change occurred.

Remember: If your Lodge is keeping track of membership increases in hopes of taking part in or being one of the winners of the challenge to shave the Grand Masters head, then you must report your membership increases to the Grand Secretary using the Monthly Report form.

Grand Masters One-Day Classes – those members raised as Master Masons during a One-Day Class must be reported on the Monthly Report. Also, remember to send in your Candidate Fees if you have not already done so.

INVITATION TO SPECIAL WORKSHOPS AT SESSION

LOGICAL SOFTWARE. MWGM Prewett is pleased to announce that Bro. Norman Schultz, the developer of the LODGEICAL Secretary Software, will be present at the 139th Annual Communication in Bozeman. Under the “tentative” schedule, he will conduct LODGEICAL Training, answer questions and receive update suggestions. The LODGEICAL Training is currently scheduled to commence on Thursday, June 23rd, from 1:00 pm to 3:00 pm. He will also schedule one-on-one or group training and field questions as appropriate and possible during the remainder of Session.

MASONIC RENEWAL WORKSHOP MWGM Prewett has arranged for a special presentation by Robert P. Conley, PGM (Michigan) and Chairman of Renewal for North America. Long a leader in demand for his renewal services, both in Michigan and nationally, PGM Conley looks forward to sharing his experience in assisting Lodges in leadership training, resolution of Lodge conflicts, planning for the future and other areas of Renewal. The Renewal Workshop is scheduled for Thursday, June 23rd from 1:00 pm to 3:00 pm.

NATIONAL REGISTER OF HISTORIC PLACES OVERVIEW FOR LODGES-FACT AND MYTH This workshop is scheduled for Friday, starting at 8:00 am. This workshop will provide an overview of what the National Register of Historic Places is, what it does and does not do, definitions, criteria, and an overview of the application process and the role of local government. The workshop will be presented by Paul Putz, Historic Preservation Officer for Lewis & Clark County.

Tidings from the East,

Have you discussed and studied the Legislation and the Masonic Home Study Committee report that is included in your legislative packets???

The **Masonic Home recommendation** is one of the most important votes you will make in your life as a Mason, so I am charging you to make an informed vote. Read the material so you will be informed of what you are voting on and which direction you feel should be taken. Ask any necessary questions of the Committee about their logic so you can make an intelligent vote. They have spelled out the options that were looked at and why they came to their conclusion after much thought and reasoning. It is up to you!

I must report on the **NORTHWEST CANADIAN MOUNTED POLICE RED COAT DEGREE TEAM** day in Great Falls -- it was wonderful. It was a great display of ritual work, with eight new Master Masons in Montana raised, and over 200 Master Masons attending. It doesn't get any better than that. Many thanks to the Canadians and the Great Falls Masons for making this day possible.

We will be traveling to Saskatchewan on June 15 to put a Master Mason Degree for them at their Grand Lodge Communication. It should prove to be a great event and if you would like to be part of a wonderful time, contact me. You are all welcome to go with us and take part.

June 4, 2005 at 4 PM Eagle Rock Lodge from Idaho Falls, Idaho will be conferring a Master Mason Degree in Bannack Lodge doing Idaho Work. You are invited to attend and enjoy an educational and fun time.

June 4, 2005 will be Masonic Lodge Open House Day in Montana!

Have you made plans to open your Lodge to the Public that day and have tours to show everyone who and what we are?

[Have you registered for the 139th Grand Lodge Communication](#) in Bozeman?

Your dues card and an ID will be required to gain admission. Only those voting a proxy will need a credential proxy card from their lodge.

More Registration Forms are on their way to your Lodge.

Bring your Lodge Banners to display and wear your Lodge Officer Apron.

Don't miss the workshops, Secretary's and Masonic Renewal on Thursday afternoon and National Register of Historic Places Overview for Lodges, Fact & Myth on Friday morning.

REMEMBER to live by the story of Pooh and how he teaches morality while caring for his Friends and enjoying life -- that is truly Masonry at its best.

THANK YOU FOR THE PRIVILEGE OF SERVING AS YOUR MOST WORSHIPFUL GRAND MASTER.

Fraternally,

David L Prewett, Grand Master AF & AM of Montana

Brothers and Sisters,

I was not going to get involved in this discussion in the Montana Stars but felt it was necessary to clear up some items that were printed on this site.

As the notification of the meeting stated, the vote, dealing with the Masonic Home, will be held following discussion that is scheduled for the Masonic Home Corporation meeting on June 24, 2005 at 1:15 PM at the Holiday Inn at 5 Baxter Lane in Bozeman, Montana. It went out to all Lodges in the Legislation Packets.

Discussion will be controlled by the Brothers and their willingness to share additional factual information. Pro and Con speakers will be kept as a side for side presentation until such time as no additional factual information is being shared or if items presented begin repeating themselves, then it will cease and a vote will follow. Of course, as in all Masonic meetings, the discussion must remain cordial and respectful or discussion will stop. This means there could be one speaker for each side or 20 for each side but the conduct and material of the presenters will control that.

It is my duty to keep this vote fair and on the level and I assure you I am doing my best to make that happen.

I assured all Masons they would have, or have access to, factual information and in time for them to look at both sides and have an opportunity to endeavor to understand the reasoning for each, whether for or against the recommendation. I did not feel it was fair to have Brothers come to the Grand Communication and receive the study report information in their packets, then that afternoon be expected to vote on such a major issue as this. So I ordered the information to be distributed to all of the members and others. That way a vote could be had that was fair and voters could cast a knowledgeable vote for whichever side they elected to do so and could feel that they had cast a vote they would not question after having cast it.

Unfortunately, some Masons have put out false statements about the coming vote, hopefully not knowing they were false. While most Masons will be able to sort out the truths from the untruths, there may be some who will be misled. This serves neither the Craft nor the Home.

Just a reminder, one of the many things that makes this fraternity stand out among men is something that is stated very well in the Entered Apprentice Lecture and I quote, "*Truth is a divine attribute and the foundation of every virtue. To be good and true is the first lesson we are taught in Masonry. On this theme we contemplate, and by its dictates endeavor to regulate our conduct. Hence while influenced by this principle, hypocrisy and deceit are unknown among us, sincerity and plain dealing distinguish us, and the heart and tongue join in promoting each other's welfare and rejoicing in each other's prosperity.*" That is what Masons are reminded of in all of their thoughts, words and actions. I would ask my Brother Masons as well my Sisters of the OES to assist us all by sharing only truthful information, so the Masons will not have to worry about breaking one of the three great tenets of a Mason's profession when they repeat what they heard or read, in this publication or elsewhere. I would ask all to be sure of the truthfulness of any statement you make, spread, or publish.

Untruths don't help anyone, including the one that voiced them, and simple rumors that are being spread are not within the tenets of the Masonic Family and cause the vote to be unfair to both, the voters and the Home, not to mention the credibility of the Masonic Family.

Thanks as always,

A handwritten signature in black ink that reads "David L. Prewett". The signature is written in a cursive, flowing style.
