## **Dues Cards for 2010**

The 'new style' Dues Cards for 2010 have been mailed to each Lodge Secretary. The new Card is generated through ROLLS the bar code will enable us to speed up the registration process at Grand Lodge communication and will be of use for other functions in the future. This card is the only Dues Card that is approved and acceptable for use by members of the Grand Lodge of Montana. Next year we hope to produce the Cards so that 50 Year members will be identifiable. If you have questions on the cards or need to obtain a replacement please contact the Grand Lodge Office through your Lodge Secretary.

## **ROLLS Training**

We conducted four ROLLS training sessions and currently 56 Lodges have secured access to ROLLS and there are 29 active users. The others are in various stages of use. Those Secretaries who are using ROLLS can attest to the ease and functionality of the system and that it is very user friendly.

If you live in an area where several Secretaries can get together and can schedule a time that will work for as many as possible we can come to almost any part of the State and conduct additional training. It is also possible that we can walk you through the process by a phone call or two if you can be online and talk on the phone at the same time.

If you have questions on user log in or how to initially navigate around please call the Grand Lodge Office (406) 442-7774.

## **2009 Annual Returns**

You have the option to prepare your Annual Return by filling in a paper copy or by using a form-fill (Adobe) .pdf version of the Annual Return which will be available at the Grand Lodge Website.

If you plan to use the ROLLS version please let us know, you will have to review your records for the past year and make sure all gains and losses are recorded. Because ROLLS populates the Annual Return form based upon entries made into the system you will probably be better off to wait until the following year to use this feature.

### **MT ROLLS**

#### **Polo Shirts**

Polo Shirts will be available for order with the ROLLS Logo for the Montana version logo. You can also have your name and/or Lodge added. Right now we believe the cost will be \$22.00. The shirts will be available in a variety of colors as well. If you are interested please contact us.

## 2009-2010 Directory and Code

Copies of the 2009-2010 Masonic Directory and the updated Constitution and Code have been mailed to each Lodge Secretary. These copies should be shared by the Master, Secretary and Instructor. If you haven't seen it yet check with your Secretary. Additional copies may be ordered from the Grand Lodge Office.

## Distribution of the Bulletin

These monthly bulletins should be shared in lodge with all the members of each lodge. Distribution is limited to the Worshipful Master, Secretary and Instructor, Grand Lodge Officers, PGM's, Committee Chairmen and the Secretary or Recorder of our Appendant Bodies.

## Bikes for Books

For the 2009-2010 Masonic year the Montana Masonic Foundation will award a matching grant not to exceed \$750.00 per lodge. Matching grant funds must be spent on eligible expenses i.e., Bikes and Safety Helmets. All check must be provided to the vendor or deposited within 90 days of issue. **You cannot match the Montana Masonic Foundation funds with money from other grants, e.g. Wal-Mart Community Grant.**

This program is made available by the Montana Masonic Foundation as a public charity and awareness program promoting public education. The aim of this program is to encourage grade school children to learn to enjoy reading. This update contains a change in the process for how matching funds are processed.

If your Lodge is interested in participating please make plans now before the **program start date of February 1st, 2010**. The program should be completed by 31 May 2010. No requests for matching funds will be processed after May 31st. Be sure to coordinate the program with the school and ensure that they know the program dates. Because of the funding changes your lodge may need to change your process of bike acquisition and displays. Information is available at [www.grandlodgemontana.org](http://www.grandlodgemontana.org)

On request from the Lodge the Montana Masonic Foundation will provide Posters, bookmarkers, and a Masonic decal with a Serialized Number to be placed on the winner's bike. In order to receive the Posters, bookmarkers and serialized tags, the lodge must provide the number of schools, grade levels, number of classes and number of participating students, number of bikes to be awarded by each individual lodge prior to starting the program.

**Requests for all materials should be submitted to Grand Lodge prior to February 1, 2010.**

## Obtaining Benefit from Membership

To obtain benefit from membership in the fraternity of Ancient Free and Accepted Masons one must contemplate the beautiful phrases of the ritual, ponder over their meaning, and discover the lessons for himself. No one becomes proficient at an art, science, profession or most activities without constant practice. So, no one can appreciate the beneficial aspects of the principles of Freemasonry without devoting oneself to read, study and contemplate them.

Consider the first time a Candidate is instructed to pray for himself after being reminded of the manner of prayer before such time. To be most effective, one must pray for oneself, but this instruction also signifies the necessity of individual and independent thought and interpretations.

Thus, Freemasonry's system of morals, being "veiled in allegory and illustrated by symbols", is an instruction to look for further meaning, and requires interpretation beyond those apparent to the casual observer.

After joining the fraternity, a Master Mason soon discovers the amazing wealth of additional opportunities to learn about and to participate in Freemasonry. While there is no Masonic degree more important than that of Master Mason, there are appendant Masonic organizations that you can consider membership in.

The Ancient and Accepted Scottish Rite of Freemasonry is commonly known as the Scottish Rite. It is one of several appendant groups of the worldwide fraternity known as Freemasonry. The Scottish Rite is a Masonic organization that continues a Master Mason's education of the first three degrees.

Other examples of Masonic affiliated organizations are: The Shrine (Shriners); York Rite; and Eastern Star.
